About UPSDM

Uttar Pradesh Skill Development Mission (UPSDM) acts as an integrated mission which combines the efforts of various State Departments in achieving the skill development targets for the State.

UPSDM is the implementing agency for skill development targeted at enhancing employability in Uttar Pradesh, subsuming the targets of various State Departments such as Rural Development, Urban Development, Labor, Minority Welfare, Social Welfare, etc.

Established in 2013; mandated to coordinate all skill development initiatives, leveraging on State Skill Development Policy, UPSDM empaneled Private Training Partners in addition to Govt. Training Partners for conducting skill development trainings.

About IBM Skills Build

- Aims at providing job seekers, including long-term unemployed, school dropouts, migrants and veterans worldwide, with the digital content, personalized coaching and experiential learning they need to gain technical and professional skills required to re-enter the workforce.
- IBM provides few offline sessions that are mutually agreed.
- It gives access to digital content like Artificial Intelligence, Cloud Computing, Cybersecurity, Data Science on SkillsBuild platform and associated training of trainers, and learners etc. via online workshops, webinars, masterclasses and **Project Base Learning (PBL)** sessions.
- Works collaboratively to spread awareness about **IBM SkillsBuild** platform and e-skilling of learners on futuristic skills courses which are carried out by institutions.
- Provide technical support and mentorship to learners on the platform.

BRIEF INTRODUCTION OF REACHA

Indian Non-Government Organization
headquartered in New Delhi, India.
Registered in 1992.
Website: <http://www.reacha.org>

REACHA is the country partner of **IBM**,
to implement **IBM SkillsBuild** program
across the country

- REACHA is a community-based Non-Government Organization (NGO) with a mission to deliver high impact to human development sectors like education, health, skilling of youth, women's empowerment etc.
- REACHA was conceptualized by a group of conscientious bureaucrats, technocrats, scientists and educationists who felt that it was necessary to create an institution that could 'reach-out' to the masses and enable them to empower themselves with knowledge, know-how and the will to bring about positive changes in their lives.
- REACHA's vision is to reach out to masses, be with them, hear from them about their needs, and thereupon develop and implement sustainable models of socio-economic growth and development, through a participatory process. Prime objective is local development in harmony with nature, and in alignment with aspirations of people.

The CEO,
REACHA, New Delhi

Letter of Appreciation

We would like to acknowledge and extend our gratitude to REACHA org, for conducting a student orientation session on **IBM Skills Build** programme at our SIR Training Centre Nishatganj, Lucknow and SIR Training Centre, Lalkuan, Lucknow training centre on **17/02/2023**. A total of **120** students of our training centre participated in this orientation session.

The session was very informative and useful for our students. **Mr Vijay Prakash, Sr. Programme Manager, REACHA** has done an exceptional job during the interaction with students. He explained the whole process of IBM Skills Build portal registration and learning to the students in a very friendly way.

We highly appreciate your professional guidance towards enhancing employability of our students as part of the **MoU between IBM and Uttar Pradesh Skill Development Mission, Government of Uttar Pradesh**.

It has indeed been a very nice experience so far.

With regards,

Sincerely yours
